# LIST OF LAKES

## TABLE ROCK LAKE

With tree-lined shores, crystal clear water, and hidden beaches, it's little wonder Table Rock Lake is one of Branson's top destinations.

Enjoy boating, fishing, sailing, waterskiing, wakeboarding, camping, hiking, and sightseeing in this beautiful Ozarks vacation spot. There are over 100 resorts adjacent to Table Rock Lake, as well as ample campsites, so there are plenty of places to stay. But Branson's Entertainment District is only a short drive away too!

With almost 800 miles of shoreline, Table Rock Lake has many beautiful spots for taking a dip in its crystal clear water. Moonshine Beach, adjacent to the Dewey Short Visitor Center Recreation Area, is the most popular and offers a spacious, sandy beach where you can swim, dive, sunbathe, picnic, hike, play volleyball or just view the wildlife. If you want to escape larger crowds and boat traffic, the Beaver area located on the southwest corner of the lake is a favorite swimming spot. Cape Fair, just off Highway 75, offers wide-open water for plenty of swimming. Many of the campsites also have swimming areas. Please note that swimming is forbidden in some parts of the lake, especially near the marinas.

## BULL SHOALS LAKE

Bull Shoals Lake, located in the Ozarks of Arkansas and Missouri, is a top destination for scuba diving and fishing. The clear waters and abundance of fish make it a popular spot for both novice and experienced divers. Fishing is also excellent, with several Show-Me State record catches being made in Bull Shoals Lake.

Bull Shoals Lake is part of a recreation and water sports paradise that features nearly 20 developed parks around its wooded borders. The area boasts pavilions, boat docks, and a variety of campgrounds, which can accommodate everything from pop-up tents to luxury RVs. Sand bars found around the lake also serve as popular camping destinations.

## LAKE TANEYCOMO

Lake Taneycomo is home to the Branson Landing boardwalk. The boardwalk is a great place to enjoy beautiful lakeside views while shopping and dining. You can also rent a kayak for a more up-close experience with the lake. A Missouri fishing license is required to fish any Branson-area lake, river, or stream and a trout permit is required for fishing in Lake Taneycomo.

# TIMESHARES, VACATION CLUBS, AND RELATED SCAMS TO KNOW

Timeshares, vacation clubs, and related scams have been around for years. But, thanks to the internet, they're now more widespread than ever. If you're planning a trip to Branson, be sure to do your research before booking anything.

## TIMESHARES

Timeshares are one of the top sellers in the travel and hospitality industry. Thousands are available and millions of people have them. Is a Timeshare good for you? In reality, timeshares are one of the biggest and most confusing industries in major tourism destinations. The "marketing" side is very annoying in Branson. Every place you stop has someone trying to get you into a timeshare. Don't get taken by a quick talker in a restaurant. Talk to Discover Branson to better understand things.

## CREDIT CARD SKIMMING

Card skimming is the illegal copying of information from the magnetic strip of a credit or ATM card. Skimming usually occurs when you buy something and somebody takes your credit card out of your sight.

To reduce your risk of credit card skimming:

- ask for your card back straight away if a shop assistant wants to swipe your card out of your sight or in a second machine
- pay with a cheque or cash, or don't buy the item
- never share your PIN, or keep a copy of it with your card

## VACATION CLUBS

Vacation clubs are like timeshares, but instead of sharing a property with other people, you share it with a group of people who all pay annual dues. Before you enroll in a vacation club, be clear on what you're getting. Unfortunately, Branson has some serious issues with companies that lack moral compasses. The good news is that you have friends in Branson that will help you and keep you on the right track

## FAKE TICKETS AND FESTIVAL ACCOMMODATION SCAMS

There is high demand for tickets and accommodation for major events, concerts, shows and festivals.

To avoid an accommodation or ticket scam:

- make a considered choice when you look at accommodation and ticket choices
- use a reputable website

**Discover Branson is a legal ticket reseller. Book your tickets with us by calling 800-768-3892 or visiting our website at [DiscoverBranson.com](http://DiscoverBranson.com)**

## WRONG CHARGE AND OVERCHARGING SCAMS

A common scam is to be overcharged by online ticket companies. Some companies claim to be "Official", but are actually just charging too much. They may also try to give you the price, then add on hidden fees, surcharges and other unknown costs. Use A+ Accredited agencies.

## VEHICLE HIRE SCAMS

Jet ski, motorcycle, and car hire scams can happen to any tourist. Several people have been harassed and threatened by transport operators for returning allegedly damaged hired vehicles. Some operators have demanded 1000s of dollars and taken passports as collateral — they will keep your passport until you pay for the damage.

To protect yourself from scams, before you hire a vehicle:

- read online reviews of local travel companies
- check the vehicle and take photos of any previous damage
- check your insurance covers you for recreational vehicles
- never leave your passport as a security deposit or collateral
