Welcome to the 17th edition of The Flavor of Branson. Thanks for your continued support.

As we finish this magazine, the tourism industry in Branson is hopeful that 2022 will be as good as the last half of 2021. Branson recovered well from the pandemic the last half of 2021. Visitors were ready to travel and get out and explore the Ozarks. Lots of new visitors flocked to Branson as Branson was open and ready.

While the restaurant community continues to recover, the industry is also experiencing a shortage of staff, like many places, so please be patient and plan for plenty of time to eat. Your support of Branson area restaurants is more important now than ever before.

Part of vacationing is about the new dining experiences you can have. There are over 300 restaurants in the Branson area just waiting to be discovered. Our vision is to be the #1 tool to help you learn about and experience a variety of Branson's dining options. We've done our best to list every restaurant in the Branson area, as of press time.

If this magazine helps you make a dining decision, could you tell the restaurant you saw their information in The Flavor of Branson and that it was influential? We'd appreciate it.

If you forget your Flavor of Branson dining guide in your car or hotel room, be sure to check out our new website BransonRestaurants.com. There you'll find Branson area restaurant listings, as well as coupon offers. Also, be sure to like our Facebook page, [Facebook.com/BransonRestaurants](https://www.facebook.com/BransonRestaurants), for dining ideas and specials.

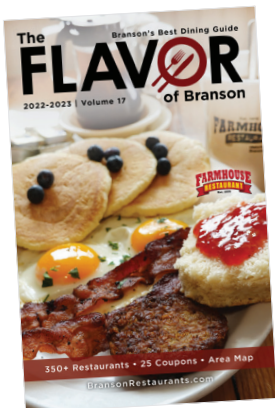

We have other restaurant publications in the Branson area as well, each with their own unique aspect. Look for The Taste of Branson, which features menu highlights and photos, in your hotel room or hotel lobby. Also check out the Branson Restaurant Map, featuring 12+ restaurant coupons. We want to be your Branson dining resource!

If COVID-19 has taught us anything, it is that God designed us to connect with others. So have great food with friends and family and create lasting memories. One other thing—please put the cell phones and tablets away at your next meal and enjoy a good conversation with your spouse, your kids, or your friends. You'll be glad you did and so will those eating around you.

We want to thank all of our restaurant advertisers that have continued to advertise with us in the midst of this pandemic. Thanks so much for your support!

Bon Appétit!

—The Team at The Flavor of Branson
