**W**elcome to the 11th anniversary of The Taste of Branson. We couldn't have done it without you: our readers, restaurant advertisers, hotel partners, and distributors. Thanks for your continued support and picking up a copy of The Taste.

When we created The Taste, we wanted to do three things. 1. Provide a great dining resource tool for Branson visitors that they could find in their hotel room. 2. Give hotels a publication that they could be proud to showcase in their hotel and provide to their guests. 3. Provide a cost-effective way for Branson area restaurants to reach visitors in hotel rooms.

This year we take those three things and take it one step further with the introduction of putting Taste not only in hotel rooms, but over 100 free racks around Branson and expanding our distribution.

Our goal with this publication has been to provide Branson visitors with a variety of Branson area restaurant menu samples and highlights. You'll discover American, Barbecue, Mexican, Italian, Spanish, and even Jamaican food.

The last two years have been challenging for the Branson tourism industry with a lack of business in 2020, to a lack of workers in 2021. As restaurants work to restaff and get back to normal, just remember you may have to be patient if they are short staffed. Some restaurants have even been closed one or two days a week, due to staffing issues.

Part of vacationing and living in Ozark Mountain Country is about the new dining experiences you can have. There are over 300 restaurants in the Branson area just waiting for you to discover. Be sure to check our locally owned restaurants and those restaurants you can't find back home.

If this magazine helps make a dining decision for you, could you tell the restaurant you saw their information in The Taste and that it was influential? We'd appreciate it.

We have other restaurant publications in the Branson area as well, each with their own unique aspect. Look for the Flavor of Branson Dining Guide, in over 150 locations around Branson, which

offers numerous restaurant coupons and lists every restaurant in the area. Also check out our Branson Restaurant Map. You'll find a helpful map to get around Branson and several coupons. We want to be your Branson dining resource.

Be sure to visit our website, BransonRestaurants.com. There you'll find Branson area restaurant listings, as well as coupon offers. We are excited to have launched our new, improved site in 2022. Let us know what you think. Also, be sure to like our Facebook page, Facebook.com/BransonRestaurants, for dining ideas and specials. We are even on Instagram @bransonrestaurants.

Now it's time to go dine and enjoy yourself. Get together with friends and family and create lasting memories. One other thing—please put the cell phone and tablets away at your next meal and enjoy a good conversation with your spouse, your kids, or your friends. You can check emails and watch videos later. You'll be glad you did and the others around you will appreciate you also. Bon appétit!

—The Team at The Taste
